Plaque Description
(Please print legibly)

Plaques can take up to 4-6 weeks to arrive and will be installed during the warmer times of the year.

A Dog’s Job

“That is the job of being a dog - To bark, to get dirty feet, to give sloppy kisses.
To always be there at your feet, in your bed, by your side. In the car, in the park, in your heart.
That is the job of being a dog - A companion, a friend, one that thinks you and you alone are the center of their universe.”

Our Mission: Billings Parks & Recreation Department along with the Friends of Billings Dog Parks mission is to create parks where dogs can romp and play off leash in a secure setting with their owners and other dog friends. We want to promote socialization and educational opportunities that support healthy dogs and foster a sense of community by bringing dogs and people together.

Our History: Established in 2008, the Friends of Billings Dog Parks joined the Parks & Recreation Department in raising funds to help build our first dog park in High Sierra Park. More recently, they have donated $80,000 for the development of a second dog park in Centennial Park. Their continued goal is to raise funds to provide additional amenities for both dog parks.

Dog Park Locations: We have two dog park locations in our park system; High Sierra Park in the Heights and Centennial Park on the westend which is currently under construction.

High Sierra Park- West end of Wicks Lane West

Centennial Park- 32nd Street West & St. Johns Ave

Our Goal: To raise $260,000 to provide the following amenities:

* Shade Structures: we need 4 at Centennial and 4 at High Sierra
* 2 Agility Courses: 1 at each park

You can also purchase the following amenities:

* Memorial Bench: purchase a bench that will serve as a place to rest while your best friend is enjoying a run around the park. Cost for 1 bench is $1,200; add a 5x7 bronze plaque for $300
* Memorial Tree: a memorial tree is a wonderful way to celebrate the life of your pet and give shade on a hot day. Cost for 1 tree is $425; add a 6x5 bronze plaque for $170

(Trees species are chosen by our Forestry staff. We plant in the spring & fall)

To give a financial donation or to purchase a bench or tree, fill out the “Purchase/Donation Form” and mail it along with your payment (cash/check only) to: Billings Parks and Recreation, 390 N 23rd Street, Billings MT 59101 or stop by our office Mon-Fri 8am-5pm.

Thank You!
