“He who plants a tree, loves others beside himself”
~ Thomas Fuller

“Someone is sitting in the shade today because someone planted a tree a long time ago.”
~ Warren Buffet
A Memorial Tree is a wonderful way to celebrate a life, new birth, accomplishment or a special occasion such as a wedding, anniversary or graduation.

Planting a tree is beneficial to our community. It provides oxygen, shade, cooling of our streets and cleans the air.

**Information:** All of our memorial trees are specifically chosen, planted and cared for by our excellent Forestry staff. Trees can be purchased at any time of the year, but our planting season is in the early spring and fall. Trees are guaranteed to survive at least 10 years or will be replaced.

**Pricing:** Cost for one tree is $425; call for pricing on two or more. For $170 you can add a 6x5 bronze plaque near the base of the tree. *(Prices are subject to change)*
